

GradPlan for EPET

Entering Courses in Your Program Plan

When you select courses for your program plan in GradPlan, place the courses in categories with the pull-down menu. For your EPET program plan, use the following categories:

- **Core** – for Proseminar courses
- **Research Requirement** – for required inquiry and research courses
- **Major Field** – for emphasis area (Educational Psychology or Educational Technology) selectives
- **Concentration** – for your area of concentration courses
- **Elective** – for any additional courses

Using these categories will organize the courses in your program plan by the required areas. Please do not use the other categories in the pull-down menu.
